1. ACCOUNTING POLICIES

Basic of Accounting

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value. The financial statements have been prepared in accordance with applicable United Kingdom accounting standards, the statement of Recommended Practice "Accounting and Reporting by Charities" issued in March 2005 (SORP 2005) and the Companies Act 2006.

The principle accounting policies, which have been applied consistently, are set out below:

Cash Flow Statement

The Executive Committee have been advantage of the exemption in Financial Reporting Standard No 1 from including a cash flow statement in the financial statements on the grounds that the charity is small.

Company Status

The Charity is a company limited by guarantee. The members of the company are the Executive Committee named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

Donations

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be qualified with reasonable accuracy.

The voluntary income is received by way of donations and gifts and is included in full in the statement of financial activities and recognised in the year in which they are received, or when the Foundation is legally entitled to the income.

The value of the services provided by the volunteers has not been included in the accounts as no monetary value can be assigned.

Subscriptions for Membership Policy

Life and annual membership subscriptions are accounted for a cash receipt basis.

Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the Executive Committee in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Executive Committee for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements if there are any.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donors or by appeals which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

FOR THE YEAR ENDED 31 DECEMBER 2017

1. ACCOUNTING POLICIES *(continued)*

Resources Expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes VAT which cannot be recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance Costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.

Tangible Fixed Assets

Tangible fixed assets are stated at cost.

The Executive Committee consider that the financial freehold buildings are maintained in such a state of repair that their residual values are at least equal to their net book value. No depreciation has been charged as the lives of this building are considered to be so long and their residual values so high that there is no significant annual depreciation.

All fixed assets are initially recorded at cost and depreciated over their economic useful lives. The new Derasar is not depreciated, see impairment review in Fixed Asset Note.

Taxation

Mahavir Foundation was recognised as a charity in May 1987. The Charity is not subject to taxation on its charitable activities.
